

## Getting on the Rider Gallery

- It's important for all STdT participants to be on the Rider Gallery!
  - The Rider Gallery on the STdT website is the way people access your fundraising page from the Tour website.
  - When people click on the Donate button on Crowdrise.com, it takes them to the Rider Gallery so they can choose the person or team to whom they want to donate.
- TREE Fund manages the Rider Gallery. On Fridays during the registration period we will post all the people who registered that week on the Rider Gallery.
  - If you've ridden in the past and we already have a photo of you, we'll post that one.
  - All new riders and veteran riders who want a new photo posted should send one to [Karen Lindell](#). The sooner you send the photo, the sooner it goes up on the site!
